

Paramedics riding with Volunteer Fire/Ambulance Service have to have EMT License to provide proof of Certification.

**Paramedics needing a Delaware EMT License must have the following:**

- ☐ **State and Federal Background Check**  
(Please refer to Background Check Page on our website for important information before getting one done)
- ☐ **Application** ( Can be found on [statefirecommission@delaware.gov](mailto:statefirecommission@delaware.gov) )
- ☐ **Paramedic Business License** (You are not required to take both EMT Class in addition to the Paramedic Class for Initial or Renewal )
- ☐ **BLS Protocol Update** (Contact the De. State Fire School for scheduling class)
- ☐ **National Registry Paramedic Card** (Your Delaware EMT License will have the same Expiration Date as your NR Card)
- ☐ **BLS CPR-AED CPR Card** (Please refer to our Website for a list of approved cards)
- ☐ **Processing Fee \$10.00** (We accept Cash, Check, & CC. We do not accept American Express at this time)
- ☐ **Photo in Color, Face Only with-out Hats and Sunglasses**

Once you have everything that is listed above; Please submit your information to State Fire Prevention Commission.

**First State Prevention Commission**

**1463 Chestnut Grove Road**

**Dover, De 19904**

**[fire.commission@delaware.gov](mailto:fire.commission@delaware.gov)**

**Fax: (302) 739-4436**

Certification is good for 2 years to coincide with National Registry Emergency Medical Technician expiration date on March 31, expiration year. Recertification for Both National Registration and State of Delaware is not automatic; Both require an application to be completed by the expiration date to maintain active status as EMT.
