EMT I.D. NO.: 110917                    )

CASE NO.: SFC-25-0166

**INTERIM ORDER**

This is an Interim Order of the Delaware State Fire Prevention Commission (the “Commission”) with respect to the above-referenced disciplinary matter.

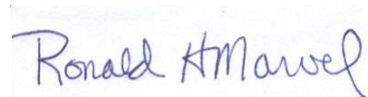

Pursuant to 16 *Del. C.* § 6604(5), the Commission may hold hearings and issue orders. At its December 2025 meeting, the Commission was asked to consider a Consent Agreement in lieu of a hearing for EMT Sherry Strusowski. The Commission declined to accept the Consent Agreement.

The Commission had enforcement questions regarding the proposed Consent Agreement. The Commission also had concerns about consistency of discipline for EMTs. The Commission was further concerned about the allegations of theft targeting vulnerable people.

The Commission found, based on the information contained in the proposed Consent Agreement, Strusowski presents a clear and immediate danger to the public health, safety or welfare of the community.

Pursuant to 1 DE Admin Code §710.18.4.7, the Commission temporarily suspended Strusowski’s EMT certification until such time as a hearing may be held on this disciplinary matter.

**IT IS SO ORDERED, this 18<sup>th</sup> day of December 2025.**
