- c. No provision contained in the Agreement shall constitute or have the effect of an admission by the Respondent as to any fact alleged in the Complaint in this matter or in this Agreement.

16. If the Commission accepts the Consent Agreement and enters it as an Order, the Consent Agreement shall be admissible as evidence at any future proceedings before the Commission.

17. Respondent understands and acknowledges that the Commission will report this Consent Agreement to the licensing authority of any other state in which she is licensed to practice.

18. The parties acknowledge and agree that this Consent Agreement, along with any exhibits, addendums, or amendments hereto, encompasses the entire agreement of the parties and supersedes all previous understandings and agreements between the parties, whether oral or written.
