

## **REINSTATE LAPSED DELAWARE EMT CERTIFICATION REQUIREMENTS**

### **Within 24 months of lapsing:**

*Individuals who are currently National Registry Emergency Medical Technician certified seeking recertification must submit the following:*

**Delaware EMT Refresher Certification Application**

**Copy of Current NREMT card**

**Copy of Current BLS Provider CPR/AED Card**

**Copy of Reciprocity certificate. This is mandatory due to not re-certifying on time.**

**Process Fee of \$50.00**, must accompany application. We accept Visa, Mastercard and Discover. Make checks payable to State Fire Prevention Commission (SFPC) or cash is accepted. We do not bill individuals and/or companies.

### **More than 24 months of lapsing**

*Individuals who are currently National Registry Emergency Medical Technician certified seeking recertification must follow the following:*

**Copy of NREMT card.**

**Copy of Reciprocity certificate.**

**Copy of BLS Provider CPR/AED Card**

**Must have a State and Federal Background check done. (This required even if you had one done previously)**

**Process Fee of \$50.00**, must accompany application. We accept Visa, Mastercard and Discover. Make checks payable to State Fire Prevention Commission (SFPC) or cash is accepted. We do not bill individuals and/or companies.

Your Delaware Certification is good for 2 years to coincide with expiration date of National Registry Certification of March 31 of expiring year.
